Need to Know Attendance Nuances

- Student LMS systems aren't perfectly designed for Independent Study and alternative education (unfortunately)
- All Venture Students will be marked absent until they are 1) Present in their online class or 2) they have completed the work and the teacher inputs that they are receiving credit for attendance (will occur each Wednesday for the previous week) This is how IS works!
- To assist with confusion this week we will
 - Label Teacher Display names in IC with meeting days (i.e. Castellano M/W)
 - Ask Teachers to label their Schoology Course similarly (i.e. Algebra M/W)

We apologize for any confusion and we appreciate your understanding as we try and work within systems that weren't necessarily designed to do things we would like them to do! If your student is ill and will be absent please make sure to call our Attendance line at (925)479-1212.
